ELECTRIC

Dear Sirs,

I have a deep seated concern over the Srp's designating of the Gila River Indian Community as the preferred route regarding Docet No. L-00000B-15-0059-00170 (Price Road Corridor) 230kV line) Case no. 170. I happen to live within view of the proposed installation, and I can't conceive of the unsightly views as I look west off my patio to view every sunset in the future. As a career real estate broker, I had many confrontations with just such installations similar to this type of proposal and, believe me, I can't count the times I had cancelled offers for just such proposed installations near choice real estate home sites.

I therefore voice my request that the parties in control to please reconsider their latest choice for the sake of the homeowners who will have to endure this unacceptable choice impacting the values of our homes on the west side of Oakwood in Sun Lakes. Believe me, I never would have bought the home I have loved and enjoyed these past 10 yrs. Had I known this type of proposal would ever be approved.

Sincerely,

Lee & Diane Bergelin

Sun Lakes, Az. 85248
